# DIRECTIONS

## TO GILL INFUSION AND APHERESIS SERVICES

Patients visiting Gill Infusion and Apheresis Services in the Linda and Jack Gill Building (Pavilion G) should park in the UK HealthCare Garage at 110 Transcript Avenue, directly across South Limestone from UK Chandler Hospital. From the garage, there are two options for getting to Gill Infusion and Apheresis Services.

**Option 1:** Free shuttle. Take the hospital shuttle from Level A of the parking garage to Stop 1, Pavilion A. Enter Pavilion A and turn left. Straight ahead is the Linda and Jack Gill Building (look for a stone wall). Enter the Linda and Jack Gill Building (Pavilion G) through the doors on the right. Turn right down the first hallway and take the elevator to the 3rd floor. Exit the elevator onto the 3rd floor, turn left, and walk straight ahead until you see the entrance to Gill Infusion and Apheresis Services.

**Option 2:** Walk. Access the concourse bridge from Level C of the parking garage. Once across the concourse bridge, continue ahead along the 1st floor of Pavilion A. Turn right and walk past the Information Desk, and then take an immediate left. Continue along the concourse past the Celebrate Kentucky Wall of photographs. Enter the Linda and Jack Gill Building through the first left door. Continue ahead and take the elevator on the left to the 3rd floor. Exit the elevator onto the 3rd floor, turn left, and walk straight ahead until you see the entrance to Gill Infusion and Apheresis Services.

## TO WHITNEY-HENDRICKSON BUILDING

Patients visiting the Whitney-Hendrickson Building should park in the parking lot adjacent to the Whitney-Hendrickson Building. There are two options for getting to the parking lot adjacent to the Whitney-Hendrickson Building.

**Option 1:** From South Limestone: Turn onto Huguelet Drive from South Limestone. Turn right onto Rose Street, and then take the first left into Markey Cancer Center. After passing through the security checkpoint, turn left into the Whitney-Hendrickson Building parking lot.

**Option 2:** From Tates Creek Road: Turn onto Cooper Drive from Tates Creek Road. Turn right onto University Drive, then turn left onto Huguelet Drive. Turn left onto Rose Street, then take the first left into Markey Cancer Center. After passing through the security checkpoint, turn left into the Whitney-Hendrickson Building parking lot by taking a left.
